El Comentario Bíblico Moody

Wood focuses on the prophets' daily circumstances to illuminate their message. Covers both the writing and non-writing prophets, including Miriam and Elijah.

In this comprehensive look at life in the time of Jesus, Edersheim examines Jewish homelife, marriage customs, worship, literature, and much more. This publication from Boomer Books is specially designed and typset for comfortable reading.

William Barclay brings to these "best-known stories in the world" new force and significance for the modern reader. Each chapter analyzes an individual parable--identifies its theme, explains it in the light of the language and customs of the ancient world, and clearly interprets its meaning for us today.

The William Barclay Library is a collection of books addressing the great issues of the Christian faith. As one of the world’s most widely read interpreters of the Bible and its meaning, William Barclay devoted his life to helping people become more faithful disciples of Jesus Christ.

Nuevo Comentario Bíblico San Jerónimo

Esta actualización del clásico Comentario Bíblico San Jerónimo ofrece una ayuda cualificada a quienes desean estudiar las Escrituras e iniciarse globalmente en el mundo bíblico.

Esta edición integra tanto los grandes avances de las últimas décadas del siglo XX en todos los campos de los estudios bíblicos como una bibliografía actualizada. Como en la edición original, los artículos ofrecidos son de dos clases: temáticos y de comentario. Los artículos temáticos presentan la información preparatoria necesaria antes de iniciar el comentario versículo por versículo. Es fácil de usar ya que en las cabeceras de las páginas se dan las referencias de capítulo y versículo del libro bíblico comentado. En la nueva edición, la sección temática se ha ampliado, por ejemplo con los artículos sobre Jesús y sobre la Iglesia primitiva.

Commentary and brief analysis of the meaning of the Bible text.

La mayoría de los comentarios bíblicos solo son un viaje de ida: nos llevan del siglo veintiuno al siglo primero. Pero nos dejan allí, dando por sentado que de algún modo sabremos regresar por nosotros mismos. Dicho de otro modo, se centran en el significado original del pasaje, sin embargo, no se adentran en su aplicación a la vida contemporánea. La información que ofrecen es muy valiosa, pero resulta tan solo una ayuda a medias.

Los Comentarios Bíblicos con Aplicación NVI nos ayudan con las dos partes de la tarea interpretativa, es decir, también nos ayudan a aplicar un mensaje de otra época a nuestro contexto actual. Esta serie no solo nos explica lo que significó para los lectores originales, sino que nos demuestra que también hay un mensaje poderoso para la iglesia de hoy.

Para lograrlo analiza cada pasaje en tres partes:

1. Sentido original
2. Construyendo puentes
3. Significado contemporáneo

Commentary and brief analysis of the meaning of the Bible text.

El autor, erudito judío nacido en Viena en 1825, es reconocido mundialmente como la máxima autoridad en temas de análisis del pensamiento judío. Edersheim hace, con sus aclaraciones históricas y culturales, que el Antiguo y el Nuevo Testamento encajen entre sí para mostrarnos el plan de Dios para con el hombre actuando como Soberano del universo y Señor de la historia.

El comentario al texto griego del Nuevo Testamento (Imágenes Verbales en el Nuevo Testamento) de A. T. Robertson en seis volúmenes, ahora en un solo volumen con el texto completo y sin abreviar con los libros de la Biblia estructurados en orden bíblico.

La obra aporta al pueblo evangélico contemporáneo una herramienta para el estudio bíblico que es valorada por su detallismo y profundidad.
estudio de la Palabra de Dios, desde una forma de entender el estudio bíblico que se caracteriza por el enfoque del CEB: Bíblico, Conservador y Evangélico.Discover the
secret Joshua gave the Israelites for prosperity and success. The Israelites finally had land and the opportunity to start anew. Their leader, Joshua, spoke wisely about how to
follow God’s law and how to be successful. Joshua 1:8 says, “This Book of the Law shall not depart from your mouth, but you shall meditate on it day and night, that you may
observe to do according to all that is written in it. For then you will make your way prosperous, and then you will have good success.” The Joshua CodeTM is a challenge to
keep the Word in our mouths through memorization and in our hearts through meditation “day and night.” The fifty-two chapters in this volume are designed to lead you on a
yearlong journey by spending each week memorizing and meditating on one Scripture verse so that it becomes a living part of your very being. Topics include grace,
temptation, the three levels of prayer, fruit of the spirit, and more. The outlines in each chapter can also be used by the busy pastor or Bible teacher for guiding their members.
God’s Word is powerful and profitable when studied and applied by anyone, the young and the seasoned believer alike. “You will both enjoy and profit from reading The Joshua Code. His emphasis upon the importance of Scripture memorization vibrates once more the lost chord of hiding God’s Word in your heart.” - Dr. John Edmund Haggai,
Founder and CEO, Haggai Institute “The Joshua Code literally cracks the code that every leader struggles with: In these uncertain times, with uncertain outcomes, how can a
leader put first things first? The example of Joshua memorizing and meditating on God’s Word moves us from success to significance. Most of all, the emphasis on Scripture
memory fits in perfectly with our matrix at Student Leadership University that you will be the same person five years from now, except for the books you read, the people you
meet, the places you go, and the things you memorize.” - Dr. Jay Strack, President & Founder, Student Leadership University “The Joshua Code is impacting our whole church
as we memorize the Scriptures together. Each week the Scripture verse appears in our announcements and on Sunday evenings the verse is recited as a group and the
devotional thoughts are read then discussed. This is bringing us together as a family around the Word of God.” - Dr. Thomas Sherwood, Long Falls Church, Carthage, New
York “Whether on the football field or the field of life you need a playbook. My friend, O.S. Hawkins’ new book, The Joshua Code, is a great resource in understanding the 52
verses every believer should know. I read it regularly in my own devotions and enthusiastically recommend it to my family, friends and fans.” - Roger Staubach, NFL Hall of
Fame QuarterbackIn recent decades a new movement has arisen, bringing the conceptual tools of analytic philosophy to bear on theological reflection. Called analytic theology,
it seeks to bring a clarity of thought and a disciplined use of logic to the work of constructive Christian theology. In this introduction to analytic theology for specialists and nonspecialists alike, Thomas McCall lays out what it is and what it isn’t. The goal of this growing and energetic field is not the removal of all mystery in theology. At the same time, it insists that mystery must not be confused with logical incoherence. McCall explains the connections of analytic theology to Scripture, Christian
tradition and culture, using case studies to illuminate his discussion. Beyond mere description, McCall calls the discipline to a deeper engagement with the traditional
resources of the theological task.Author approaches the New Testament in three segments: the anticipation, institution, and fulfillment of the new covenant.El comentario
biblico MacArthur trata cada pasaje del Antiguo Testamento y del Nuevo Testamento, frase a frase, con cientos de estudios de palabras claves en recuadro por todo el
tomo.The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions.
According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.Most Bible commentaries take us on a
one-way trip from the twentieth century to the first century. But they leave us there, assuming that we can somehow make the return journey on our own. In other words, they
focus on the original meaning of the passage but don't discuss its contemporary application. The information they offer is valuable – but the job is only half done! The NIV
Application Commentary Series helps us with both halves of the interpretive task. This new and unique series shows readers how to bring an ancient message into modern
context. It explains not only what the Bible means but also how it can speak powerfully today.This detailed look at all 66 Bible books in a single volume contains helpful
introductions to the 10 major units of Scripture plus maps, charts, and in-depth sidebars.TOMO 5: LOS PROFETAS MENORES. El Comentario Bíblico Beacon proporciona una
interpretación que abarca todos los libros de las Sagradas Escrituras, elaborado por 40 telogos evangélicos conservadores. Consta de 10 volúmenes, cinco sobre el Antiguo
Testamento y cinco sobre el Nuevo. En cada libro bíblico se comentan los versículos en forma expositiva, exegetica y siempre con una sugerencia homilética, lo que transforma
al Beacon en un material particularmente útil para predicadores y profesores de la escuela dominical. Sin embargo, posee tambien ciertas características de devocional, que
hacen de la una obra cautivante e indispensable para todos los creyentes que desean estudiar la palabra de Dios. El Beacon coniende erudicion teologica, pero en un tono
equilibrado en su interpretación y en su objetivo inspiracional. Su formato es atractivo y practico. Esta obra es de gran valor para todos los que buscan descubrir las profundas
verdades de la palabra de Dios, la cual “permanece para siempre.”This package includes the complete two-volume set of 1 Peter and 2 Peter & Jude from the MacArthur New
Testament Commentary series. The MacArthur New Testament Commentary series continues to be one of today’s top-selling commentary series. These commentaries from
respected Bible scholar and preacher John MacArthur give a verse-by-verse analysis in context and provide points of application for passages, illuminating the biblical text in
practical and relevant ways. In 1 Peter, MacArthur demonstrates how this letter, written to persecuted believers scattered throughout Asia Minor, speaks to faithful Christians
suffering today. Even when believers face trials and adversity, they can rest in their salvation, live out their testimony, and look forward to Jesus’ return. In 2 Peter & Jude,
both letters address the need to combat false teaching and to strengthen believers in the truth. In a day when sound doctrine is devalued, MacArthur’s analysis of these
warnings has never been more needed.An in-depth look at Christian theology through Hispanic eyes. It weaves the doctrinal formulations of the early church on creation, the
Trinity, and Christology into contemporary theological reflection on the Hispanic struggle for liberation. This volume offers a major theological statement from a respected
theologian and author. Richly insightful and unique, Manana is one of the few major theological works from a Protestant representative of the Hispanic tradition. Justo L.
Gonzalez offers theological reflections based upon unique insights born of his minority status as a Hispanic American. The letters of Paul to the newly founded Christian community at Thessalonica hold a special place within the Christian tradition as possibly the earliest extant Christian writings. They are also of special interest not only for their theological value but for their sociological context. Among the communities established by Paul, the church at Thessalonica appears to have been the only one to have suffered serious external oppression. These two important epistles, then, speak uniquely to contemporary Christians living in a society often ideologically, if not politically, opposed to Christian faith. In this innovative commentary Charles A. Wanamaker incorporates what may be called a social science approach to the study of 1 and 2 Thessalonians, taking into full account the social context that gave rise to Paul’s correspondence. While Wanamaker in no way ignores traditional historical-critical, linguistic, literary, and theological approaches to writing a commentary -- in fact, at several points he makes a significant contribution to the questions raised by traditional exegesis -- at the same time he goes beyond previous commentaries on the Thessalonian correspondence by taking seriously the social dimensions both of Christianity at Thessalonica and of the texts of 1 and 2 Thessalonians themselves. In blending traditional exegetical methods with this newer approach, Wanamaker seeks to understand Pauline Christianity at Thessalonica as a socio-religious movement in the first-century Greco-Roman world and attempts to grasp the social character and functions of Paul’s letters within this context. A significant and original addition to the literature on 1 and 2 Thessalonians, this commentary will be valuable to scholars, pastors, and students alike. A comprehensive verse-by-verse commentary for lay Bible students, fully highlighted by articles, maps, charts, and illustrations all in one volume. Clear and Comprehensive: Annotations by leading evangelical scholars don’t dodge tough issues; alternative views are presented fairly, but commentators make their positions clear. Attractively Designed: Graphics appeal to the sound-bitie generation and others who aren’t traditional commentary readers. Interesting and Revealing: Hundreds of feature articles that provide additional information or new perspectives on a topic related to Bible background. Visually Appealing: Maps, drawings, and photos illuminate the commentary and visualize important information. William Barclay fue pastor de la iglesia de Escocia y profesor de N.T. en la Universidad de Glasgow. Es conocido y apreciado internacionalmente como maestro en el arte de la exposición bíblica. Entre sus más de sesenta obras la que ha alcanzado mayor difusión y reconocimiento en muchos países y lenguas es, sin duda, el Comentario al Nuevo Testamento, que presentamos en esta nueva edición española actualizada. Los 17 volúmenes que componen este comentario han sido libro de texto obligado para los estudiantes de la mayoría de seminarios en numerosos países durante años. Are you truly amazed by God’s grace? Or have you grown accustomed to it? These probing questions and more help us know if we’re tasting, savoring, and delighting in God’s amazing grace. In this book, Dr. Sinclair Ferguson offers those willing to delve into God’s Word a deeper astonishment at being saved by grace alone. This verse by verse commentary presents the Gospel of Matthew as a counter-narrative that shapes the group of Jesus’ followers as an alternative community able to resist the dominant authorities both in Rome and in the synagogue. The Gospel anticipates the time when Jesus will return and establish God’s reign over all, including the powers in Rome. Breaking Matthew into five narrative blocks, Carter carefully considers historical, literary, cultural, and ecclesial factors as he explores the themes of marginality and power. A masterful introduction outlines these approaches and surveys other studies on Matthew. Introduction and outline of each book of the Bible. Una herramienta ideal para el estudio bíblico del cristiano principiante, los maestros de escuela domínica e incluso los pastores que deseen refrescar sus conocimientos sobre temas claves y detalles destacados de los 66 libros de la Biblia. Spanish edition of the Holman Concord Bible Commentary. The perfect Bible study tool for the new Christian, for Sunday school teachers, and even pastors when they want to be reminded of key themes and emphases in each of the 66 books of the Bible. Perhaps you’ve already experienced circumstances so shattering you may wonder today whether it’s even possible to pick up the pieces. And maybe you can’t. But God can -- and the good news is, he wants to reassemble the shards of your life into a wholeness that only the broken can know. The best one-volume Bible commentary available. Make Bible study a part of your daily life with the thorough yet easy-to-read commentary that turns complicated theology into practical understanding. The second edition of Believer’s Bible Commentary is a one-volume guide that helps the average reader develop basic knowledge of the Bible. This commentary, written by the late William MacDonald, explores the deeper meanings of every biblical book and tackles controversial issues from a theologically conservative standpoint while also presenting alternative views. Serving as a friendly introduction to Bible study, Believer’s Bible Commentary gives clarity and context to scripture in easy-to-understand language. Features: Introductions, notes, and bibliographies for each book of the Bible A balanced approach to linguistic studies and useful application Comments on the text are augmented by practical applications of spiritual truths and by a study of typology, where appropriate Colorful maps of the Holy Land and other useful study helps Can be used with any Bible translation but is best used with the New King James version. En esta obra, publicada bajo la dirección de Armando J. Levoratti, con la colaboración de Elsa Tamez y Pablo Richard, exégetas de todos los países de lengua española nos ofrecen sus investigaciones con rigor científico, carácter ecuménico y proyección pastoral. Este Comentario destaca por la variedad de enfoques en la práctica de la exégesis y la hermenéutica bíblicas. Su diversidad se debe a que, aunque los pueblos latinoamericanos tienen muchos elementos básicos comunes, presentan también diferencias y matices propios de cada país. El COMENTARIO AL NUEVO TESTAMENTO es una obra documentada, informativa, edificante y relevante, que se ha convertido en un clásico para todos los estudiosos de la Biblia. Presentación íntegra en un sólo volumen de los 17 tomos que componen la colección. Este comentario, más que ningún otro, ayuda grandemente, no sólo a conocer la Santa Biblia sino también a vivirla. Los pastores y maestros, especialmente, encontrarán en ella un copioso arsenal de material predicable. Tan asequible, incluso al más inexperto predicador, que basta a menudo con los epígrafes bosquejados del comentario de Matthew Henry, para tener un buen esquema de sermón o mensaje, que puede rellenarse con las ideas del mismo comentario y completarlas con las propias, expresándolas en el estilo propio de cada predicador, teniendo en cuenta el auditorio al que se dirige. Disponiendo de un buen libro de anécdotas, el mensaje puede resultar perfectamente apto para atraer la atención de los oyentes y para llevarlos, con el poder del Espíritu Santo, bien al
conocimiento del Evangelio de salvación, o a un sólido crecimiento espiritual, según los casos.
