The A Girl Named series tells the stories of how ordinary American girls grew up to be extraordinary American women. Misty Copeland became the first African American Female Principal Dancer for the American Ballet Theatre, but how did she get there? A Girl Named Misty describes the defining moments that made up her childhood and adolescence with full-color illustrations throughout. In addition to stories and facts about Misty’s upbringing and accomplishments, the book includes a timeline and a glossary, plus a profile of a noteworthy and contemporary American girl following in Misty’s graceful footsteps to lead the way for African American women in the arts.

What Happened

The A Girl Named series tells the stories of how ordinary American girls grew up to be extraordinary American women. It took a lot of determination, courage, and confidence to become the first woman to be nominated for president by a major political party. A Girl Named Hillary tells of the defining moments that made up her childhood and adolescence.

My Little Brave Girl

In this beautiful and empowering picture-book biography of presidential nominee Hillary Rodham Clinton, New York Times bestselling author Winter and award-winning illustrator Colon illuminate her distinguished life and career. This stunning project follows Clinton from her early years as an outspoken student at Wellesley College and Yale Law School to marrying Bill Clinton and raising daughter Chelsea, to becoming First Lady of the United States and then a U.S. Senator and Secretary of State. Here is the inspiring story of the woman who may soon change the world—into a place where a girl can dream of growing up to be president.

Who Is Hillary Clinton?

“An engaging, beautifully synthesized page-turner” (Slate). The #1 New York Times bestseller and Time #1 Nonfiction Book of the Year: Hillary Rodham Clinton’s most personal memoir yet, about the 2016 presidential election. In this “candid and blackly funny” (The New York Times) memoir, Hillary Rodham Clinton reveals what she was thinking and feeling during one of the most controversial and unpredictable presidential elections in history. She takes us inside the intense personal experience of becoming the first woman nominated for president by a major party in an election marked by rage, sexism, exhilarating highs and infuriating lows, stranger-than-fiction twists, Russian interference, and an opponent who broke all the rules. “At her most emotionally raw” (People), Hillary describes what it was like to run against Donald Trump, the mistakes she made, how she has coped with a shocking and devastating loss, and how she found the strength to pick herself back up afterward. She tells readers what it took to get back on her feet—the rituals, relationships, and reading that got her through, and what the experience has taught her about life. In this “feminist manifesto” (The New York Times), she speaks to the challenges of being a strong woman in the public eye, the criticism over her voice, age, and appearance, and the double standard confronting women in politics. Offering a “bracing guide to our political arena” (The Washington Post), What Happened lays out how the 2016 election was marked by an unprecedented assault on our democracy by a foreign adversary. By analyzing the evidence and connecting the dots, Hillary shows just how dangerous the forces are that shaped the outcome, and why Americans need to understand them to protect our values and our democracy in the future. The election of 2016 was unprecedented and historic. What Happened is the story of that campaign, now with a new epilogue showing how Hillary grappled with many of her worst fears coming true in the Trump Era, while finding new hope in a surge of civic activism, women running for office, and young people marching in the streets.

The Hunting of Hillary

Who will you cross to protect your own? When Hannah packs up her past and moves to the cottage next-door to her sister, she hopes the luxe neighborhood and close family ties will be the perfect escape for her son and the shadows that trail them. But when a young girl goes missing days after they unload their final boxes and her son is quickly thrown under suspicion, Hannah must do whatever it takes to protect her child. Even if that means pointing the blame her sister’s way instead. With investigators swimming and neighborhood scrutiny closing in, the divide between two sisters grows. As one fiercely defends her husband, the other shields her boy from the crime, keeping quiet the secrets that might unravel it all. And all the while, one young girl has vanished, and someone is to blame.

Still Muck American Women Writers and the Feminist Imagination

The A Girl Named series tells the stories of how ordinary American girls grew up to be extraordinary American women. Rosa Parks refused to give up her bus seat to a white passenger in 1955, but how did she come to be so brave?

It Takes a Village

As a young girl, Hillary Diane Rodham’s parents told her she could be whatever she wanted—as long as she was willing to work for it. Hillary took
those words and ran. In a life on the front row of modern American history, she has always stood out—whether she was a teen campaigning for the 1964 Republican presidential candidate, winning recognition in Life magazine for her pointed words as the first student commencement speaker at Wellesley College, or working on the Richard Nixon impeachment case as a newly minted lawyer. For all her accomplishments, scrutiny and scandal have followed this complex woman since she stepped into the public eye—from her role as First Lady of Arkansas to First Lady of the United States to becoming the first female U.S. senator from New York to U.S. secretary of state. Despite intense criticism, Hillary has remained committed to public service and dedicated to health-care reform, children’s issues, and women’s rights. Now, she aspires to a bigger role: her nation’s first woman president. In Hillary Rodham Clinton: A Woman Living History, critically acclaimed author Karen Blumenthal gives us an intimate and unfurling look at the public and personal life of Hillary Rodham Clinton. Illustrated throughout with black-and-white photographs and political cartoons, this is a must-have biography about a woman who has fascinated—and divided—the public, who continues to push boundaries, and who isn’t afraid to reach for one more goal. “After decades in the public eye, Hillary Rodham Clinton is still an enigma, as Blumenthal (Tommy: The Gun That Changed America) emphasizes in this compelling portrait of the former U.S. Senator and Secretary of State’s journey from budding activist to presidential aspirant.”—Publishers Weekly, starred review

The Book of Gutsy Women

The authors share personal revelations on how gardening with Grandma Dorothy shapes and nurtures a love and respect for nature, beauty, and a general philosophy for life.

A Girl Named Hillary

The U.S. senator from New York offers an thought-provoking, candid chronicle of her eight years as First Lady of the United States, looking back on her husband’s two administrations, the challenges she faced during the period, the impeachment crisis, her own political work, and more. 1,250,000 first printing. $500,000 ad/promo.

A Girl Named Helen

For nearly three decades, political observers have sought to understand the complex relationship between Hillary Clinton’s faith and her politics. Now, in this first spiritual biography of the former first lady, acclaimed historian Paul Kengor sets out to answer the elusive question: What does Hillary Clinton believe? Based on exhaustive research, God and Hillary Clinton tells the surprising story of Hillary’s spiritual evolution, detailing how her lifelong religious beliefs have intertwined with her personal history to make her the politician she is today. Born into a strict Methodist family and raised on a spiritual diet of private prayer and self-reliance, Hillary, at a young age, used the Methodist Church’s emphasis on community service to catalyze her involvement in the changing world. From this unique foundation, Kengor looks at how the chaos of 1960s and 1970s America challenged Hillary’s religious underpinnings, as she found herself drifting from her roots. Following her faith through her relationship with an aspiring politician named William) efferson Clinton, Kengor examines the motivations that eventually led Hillary back to church as first lady of Arkansas and how her revitalized beliefs shaped her time there—from her Bible-study group to her husband’s infidelities as governor. Although Hillary endured many hardships in Little Rock, her days in the White House tested her faith like no other time. Sifting through the spiritual impact of Hillary’s ill-fated experimentation with New Age mysticism and the disastrous Monica Lewinsky scandal, Kengor investigates how she relied on God for the power to save her marriage and survive the most difficult chapter of her political career. While this spiritual chronology of Clinton’s life is important, it does not tell the full story of her faith. Here Kengor fills in the gaps between the facts, analyzing the fraught relationship between her faith and her secular policies—most notably how she reconciles her pro-choice stance on abortion to her Christian beliefs—and scrutinizing how these policies have changed over the course of her political career. What emerges is an unexpected portrait of a political figure whose ideals have been shaped by both the power of her politics and the depth of her faith.

Hillary Clinton: Groundbreaking Politician

Good Night Stories for Rebel Girls

It’s been said there are no guarantees in life. Here’s a guarantee you can bank on: Open this book and you’ll see that you’ve never met preschoolers like these—inimitable, wholly unique, and quirky, each with a distinctive agenda and way of looking at the world. These interconnected stories are full of whimsy and heart and color. They show us that our differences, rather than keeping us apart, should bind us together. Whether you relate to the beleaguered teacher or harried principal or to any one of the dazzling array of winning tots themselves (or a bit of all of them!), you’re sure to laugh out loud while reading. At the book’s core, you’ll discover the power of creativity, the strength of imagination, the audacity of wishes, the beauty of the beleaguered teacher or harried principal or to any one of the dazzling array of winning tots themselves (or a bit of all of them!), you’re sure to laugh out loud while reading. At the book’s core, you’ll discover the power of creativity, the strength of imagination, the audacity of wishes, the beauty of wishes, the excitement of synthesis, and the breathtaking potential of our minds. With unforgettable and vividly-drawn characters like Clarice (and the Odor Police,) j ack (and the Intolerable Yak), and Abby (and the Bit Too Grabby), there’s something for everyone, of all temperaments and ages. The Psychotic Preschoolers is perfect as a collection of read-aloud bedtime stories for kids or as a fun way for adults to de-stress after another day in the grind. Whether you savor each charmingly rhymed and cleverly-conceived story on an individual basis, or plunge into them all and appreciate the breadth and scope of the entire book, you’ll come away with new admiration for and insight into the child mind, a mind that is not inferior to the adult mind in any way, and actually, possesses a special clarity all its own. It is that sparkling specialness that the author has captured in these pages. And no matter how grumpy your day may have made you, you can’t help but smile when you powwow with these preschoolers guaranteed!

Report of the U. S. A. Submitted to the U. N. High Commissioner for Human Rights in Conjunction with the Universal Periodic Review

This biography examines the life of Hillary Clinton using easy-to-read, compelling text. Through striking black-and-white images and rich color photographs and informative sidebars, readers will learn about Clinton’s family background, childhood, education, political career, and historic presidential campaign. Informative sidebars enhance and support the text. Features include a table of contents, timeline, facts page, glossary, bibliography, and an index. Aligned to Common Core Standards and correlated to state standards. Essential Library is an imprint of Abdo Publishing, a division of ABDO.

A Girl Named Rosa

Hillary

The A Girl Named series tells the stories of how ordinary American girls grew up to be extraordinary American women. It took a lot of determination, courage, and confidence to become the first woman to be nominated for president by a major political party. A Girl Named Hillary tells of the defining moments that made up her childhood and adolescence.
One of the most intelligent and influential women in America reflects on her eight years as First Lady of the United States in a revealing book—personal, political and newsmaking. During her husband's two administrations, Hillary Rodham Clinton redefined the position of First Lady. How this intensely private woman not only survived but prevailed is the dramatic tale of her book. Hillary Clinton shares the untold story of her White House years and recalls the challenging process by which she came to define herself as a wife, a mother, and a formidable politician in her own right. Mrs. Clinton was the first First Lady who played a direct role in shaping domestic policy; she was an unofficial ambassador for human rights and democracy around the world; and she helped save the Presidency during the impeachment crisis.

20th Century American Sculpture in the White House Garden

Carson Sterling is a 17 year old girl from Michigan. She has a hard time trusting and loving people after some events in her life. This creates issues with both her boyfriend and her father. Her life also takes an unexpected turn after a car accident. She starts to see strange things that she believes may become her reality.

The 2016 Contenders: Hillary Clinton

The First Lady shares her observations on the needs of children and families in the modern, fragmented, fast-paced world, and explores ways we can improve family and community life.

To the Moon & Back - Hardcover

An autobiographical portrait of the first lady answers questions on a range of topics, from her husband's infidelities to her own involvement in Whitewater, and voices her beliefs regarding women's rights, childcare, and health-care reform.

Making Her Own Decisions

Introduces the life of the First Lady of the US, the first First Lady to become a US Senator, the Secretary of State, and the first woman to run as the Democratic candidate for President.

Not My Boy

The distinctive new crowdsourced publishing imprint Swoon Reads proudly presents its first published novel—an irresistibly sweet romance between two college students told from 14 different viewpoints. The creative writing teacher, the delivery guy, the local Starbucks baristas, his best friend, her roommate, and the squirrel in the park all have one thing in common—they believe that Gabe and Lea should get together. Lea and Gabe are in the same creative writing class. They get the same pop culture references, order the same Chinese food, and hang out in the same places. Unfortunately, Lea is reserved, Gabe has issues, and despite their initial mutual crush, it looks like they are never going to work things out. But somehow even when nothing is going on, something is happening between them, and everyone can see it. You'll be rooting for Gabe and Lea too, in Sandy Hall's quirky, completely original novel A Little Something Different, chosen by readers, writers, and publishers, to be the debut titles for the new Swoon Reads imprint!

To the Moon & Back

The Good Night Stories For Rebel Girls gift set will inspire your entire family to dream bigger, aim higher and fight harder!

The Unique Voice of Hillary Rodham Clinton

Introduces the life and accomplishments of Helen Keller, including her activism for people with disabilities.

A Little Something Different

NEW YORK TIMES BESTSELLER • From the author of American Wife and Eligible . . . He proposed. She said no. And it changed her life forever. “A deviously clever what if.”—O: The Oprah Magazine “Immersive, escapist.”—Good Morning America “ Ingenious.”—The New York Times NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New Yorker • NPR • The Washington Post • Marie Claire • Cosmopolitan (UK) • Town & Country • The New York Post In 1971, Hillary Rodham is a young woman full of promise: Life magazine has covered her Wellesley commencement speech, she’s attending Yale Law School, and she’s on the forefront of student activism and the women’s rights movement. And then she meets Bill Clinton. A handsome, charismatic southerner and fellow law student, Bill is already planning his political career. In each other, the two find a profound intellectual, emotional, and physical connection that neither has previously experienced. In the real world, Hillary followed Bill back to Arkansas, and he proposed several times; although she said no more than once, as we all know, she eventually accepted and became Hillary Clinton. But in Curtis Sittenfeld’s powerfully imagined tour-de-force of fiction, Hillary takes a different road. Feeling doubt about the prospective marriage, she endures their devastating breakup and leaves Arkansas. Over the next four decades, she blazes her own trail— one that unravels in public as well as in private, that involves crossing paths again (and again) with Bill Clinton, that raises questions about the tradeoffs all of us must make in building a life. Brilliantly weaving a riveting fictional tale into actual historical events, Curtis Sittenfeld delivers an unannoyingly astute and witty story for our times. In exploring the loneliness, moral ambivalence, and iron determination that characterize the quest for political power, as well as both the exhilaration and painful compromises demanded of female ambition in a world still run mostly by men, Rodham is a singular
Hillary

Hillary Rodham Clinton and her daughter, Chelsea, share the stories of the gutsy women who have inspired them—women with the courage to stand up to the status quo, ask hard questions, and get the job done. She couldn’t have been more than seven or eight years old. “Go ahead, ask your question,” her father urged, nudging her forward. She smiled shyly and said, “You’re my hero. Who’s yours?” Many people—especially girls—have asked us that same question over the years. It’s one of our favorite topics. HILLARY: Growing up, I knew hardly any women who worked outside the home. So I looked to my mother, my teachers, and the pages of Life magazine for inspiration. After learning that Amelia Earhart kept a scrapbook with newspaper articles about successful women in male-dominated jobs, I started a scrapbook of my own. Long after I stopped clipping articles, I continued to seek out stories of women who seemed to be redefining what was possible. CHELSEA: This book is the continuation of a conversation the two of us have been having since I was little. For me, too, my mom was a hero; so were my grandmothers. My early teachers were also women. But I grew up in a world very different from theirs. My pediatrician was a woman, and so was the first mayor of Little Rock who I remember from my childhood. Most of my close friends’ moms worked outside the home as nurses, doctors, teachers, professors, and in business. And women were going into space and breaking records here on Earth. Ensuring the rights and opportunities of women and girls remains a big piece of the unfinished business of the twenty-first century. While there’s a lot of work to do, we know that throughout history and around the globe women have overcome the toughest resistance imaginable to win victories that have made progress possible for all of us. That is the achievement of each of the women in this book. So how did they do it? The answers are as unique as the women themselves. Civil rights activist Dorothy Height, LGBTQ trailblazer Edie Windsor, and swimmer Diana Nyad kept pushing forward, no matter what. Writers like Rachel Carson and Chimamanda Ngozi Adichie named something no one had dared talk about before. Historian Mary Beard used wit to open doors that were once closed, and Wangari Maathai, who sparked a movement to plant trees, understood the power of role modeling. Harriet Tubman and Malala Yousafzai looked fear in the face and persevered. Nearly every single one of these women was fiercely optimistic—they had faith that their actions could make a difference. And they were right. To us, they are all gutsy women—leaders with the courage to stand up to the status quo, ask hard questions, and get the job done. So in the moments when the long haul seems awfully long, we hope you will draw strength from these stories. We do. Because if history shows one thing, it’s that the world needs gutsy women.

State of Terror

Presidential candidates are a breed apart, often propelled by traits that have shaped their careers and have deep roots in personal histories. Often their greatest strength can turn at supernova speed into their greatest weakness. The exact qualities that set them apart from the field trip them up eventually over the long haul of a presidential campaign. Hillary Clinton’s won’t-back-down resolve is the quality that could make her America’s first female president if it doesn’t sabotage her first. She may have gotten her first campaign for the Democratic nomination wrong, but now she is doggedly determined to get it right. But that past campaign and her controversial years as first lady, while leaving her with more experience with the nuts and bolts of being president, have also left a trail of ethical questions that provide her challengers ample ammunition on the trail. In this series of eBooks, The Washington Post is exploring in-depth all these key characteristics of the leading presidential contenders, the very characteristics that could help make one of them the country’s next commander in chief—or forever sink their presidential ambitions.

A Girl Named Hillary

A NEW YORK TIMES BESTSELLER The New York Times bestselling Good Night Stories for Rebel Girls is a children’s book packed with 100 bedtime stories about the lives of extraordinary women from the past and the present, illustrated by 60 female artists from all over the world. Each woman’s story is also accompanied by a full-page, full-color portrait that captures her rebel spirit.

Hillary Rodham Clinton

Ten years ago one of America’s most important public figures, First Lady Hillary Rodham Clinton, chronicled her quest both deeply personal and, in the truest sense, public to help make our society into the kind of village that enables children to become able, caring resilient adults. IT TAKES A VILLAGE is a textbook for caring, filled with truths that are worth a read, and a reread. In her substantial new introduction, Senator Clinton reflects on how our village has changed over the last decade, from the internet to education, and on how our own understanding of children has deepened as she has watched Chelsea grow up and help all challenges new to her generation, from a first job to living through a terrorist attack. She discusses how the work she is doing in the Senate is helping children and looks at where America has been successful, improvements in the foster care system and support for adoption, and where there is still work to be done, providing pre-school programmes and universal health care to all our children. This new edition elucidates how the choices we make about how we raise our children, and how we support families, will determine how all nations will face the challenges of this century.

A Little Something Different, Chapter Sampler

Is an excellent overview of 20th-century American sculpture & an intimate look at the garden that adjoins the most famous house in America.
